

## World Amateur Radio Day Contest VHF

**Organizer:** MRASZ

**Mission:** Providing a practice opportunity for HAM radio operators. Instilling and developing competitive ability. Strengthening the bond between operators of all ages.

**Time:** April 18, 15:00-15:49 UT. Comprises five 10-minute periods (00-09, 10-19... 40-49 mins). One contact per station per period and mode may be logged (for a total of 10).

**Participants:** Any HAM radio operator who agrees to the terms and conditions included in the contest announcement.

### Evaluation Categories:

Individual HAM radio operators (all stations participating)

Junior (license-holders) - up to age 25

Junior with supervision (without license) - up to age 25

Old timer - age 70 and above

**Frequency:** 144035-144150 kHz CW and 144150-144390 kHz SSB.

**Modes:** CW (A1A), SSB (A3J).

**Reporting:** RS(T) + age (as of January 1 - e.g. if the contestant turned 17 on February 5, 16 will be transmitted) + QRA Locator (e.g. HA5KYZ 599 27 JN97DE)

**Scoring:** The points for a QSO is calculated as a sum of the points for the age of the operator plus the distance calculated by the QRA Locators!

Ages <10 - 500 points

Ages 10-13 - 400 points (10,11,12,13)

Ages 14-18 - 300 points (14,15,16,17,18)

Ages 19-25 - 200 points (19,20,21,22,23,24,25)

Ages 26-69 - 100 points (26,27,...68,69)

Ages 70-75 - 200 points (70,71,72,73,74,75)

Ages 76-80 - 300 points (76,77,78,79,80)

Ages 81-85 - 400 points (81,82,83,84)

Ages ≥ 85 - 500 points (85,86...)

**Multipliers:** Various ages/ mode.

**Total Score:** the sum of points for valid contacts multiplied by the applicable multipliers

**Evaluation:** All HAM radio stations submitting a log will be evaluated.

**Log:** In EDI format.

**Submission Deadline:** Midnight, April 21.

**All Logs must be sent to:** <https://log.mrasz.hu>

**Announcement of Results:** The final results will be published on the MRASZ website ([www.mrasz.hu](http://www.mrasz.hu)) within 60 days after the contest.

**Awards:** All operators submitting a valid log will receive a commemorative
