

The Kingdom of Denmark celebrating

On 14 January 2024, **Her Majesty Queen Margrethe II** will abdicate and leave the throne to her son **His Majesty King Frederik X**, who will be sworn in as the new King of Denmark.

For this reason, the Radio Amateur Associations, **FRA** and **EDR** will activate Special Event Stations within The Kingdom of Denmark including Greenland and Faroe Islands.

Two periods with different call signs are used. The first period is to honor our beloved Queen that, on 14. January, have ruled the Kingdom in exactly 52 years. The second period is to welcome our new King that we all look forward to see being the new Majesty in The Kingdom of Denmark.

In the period from January 12th 00:00 UTC until January 14th 23:59, OX, OY and OZ24QUEEN

In the period from January 14th 00:00 UTC until January 16th 23:59, OX, OY and OZ24KING

These call signs will be active on many amateur radio bands with CW, SSB, RTTY and several digital modes. All bands, HF - EHF, including WARC-bands, and all modes may be used.

Every two-way contact or SWL report is valid for the **QUEEN/KING Award**

Contacts with one of the SES in Denmark, Greenland or Faroe Islands, on different bands or with different modes (CW, Phone or DIGI) counts one point.

Ex: Contact with OZ24QUEEN on 40m CW and 40m SSB and 40m RTTY and OX24QUEEN on 2m CW will give you 4 points all-in-all in MIX Mode.

There are three categories of Awards in each Mode:

MIX MODE:

DX: GULD=8 - SILVER=6 - BRONZE=4

EU: GULD=13 - SILVER=9 - BRONZE=6

OZ: GULD=16 - SILVER=12 - BRONZE=8

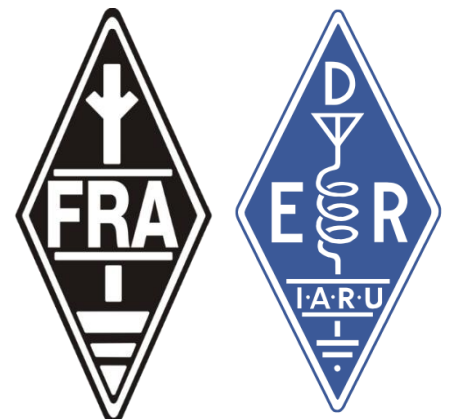

SINGLE MODE:
