

FEDERATIA DE RADIOSPORT DIN REPUBLICA MOLDOVA

Dear friends,

Moldavian Federation of Radiosport of Republic of Moldova(FRRM/ARM) multiple times had the honor of being the organizer of the ARDF championships of European level. On all these occasions we have organized the championships on the highest level, both on organizational level as well as technical and accommodation parameters.

Due to the fact, that the 6th World Youth ARDF Championship is to be held on **30th of June-04th of July 2024**, the organization has to be done within an extremely limited time frame, while the amount of work to be done is very large, being provided the scale of the championship.

Nevertheless, the Moldavian Federation of Radiosport of Republic of Moldova is ready to take this role and this high responsibility to host this important event in Moldova, having the consent and the necessary support from Moldovan Government.

We will be happy to host the event and to meet you in our beautiful country!

Date and venue: 30th of June-04th of July 2024, Orhei region, touristic complex «Codru» 47.33004,28.80626 (<https://complex-codru.md>)-34 km from Moldavian capital – Chişinău. This is a restricted touristic area and it contains sufficient number of rooms (different types) to accommodate all the participants, jury and guests. The complex is located in a picturesque area, having both historic and touristic value.

The transfer to/from airport and transportation from accommodation to the competition area will be ensured by the organizer. Competition area will be located within 15-20 min ride by bus.

Preliminary program:

30th of June 2024 – Arrival, training event, opening ceremony

1st of July 2024 – Classic 1
