WELCOME TO AIS FRIENDS

AIS Friends is a volunteers AIS network for ham radio enthusiasts, search & rescue teams, coast guard and port authorities, university research programs, maritime business support and ship traffic monitoring. To use the system simply join AIS Friends by connecting your AIS station.

[Add your AIS station](#)

- Example AIS station map and dashboard preview click [here](#)
- Example ships particulars, navigational and commercial data click [here](#)

Contributors Benefits

1. AIS STATION REAL TIME DATA MONITORING AND FEATURES:

Already developed:

- Live map of ships and station dashboard
- Live map Filter by Type, Length, Gross tonnage, Navigational Status and more
- Past 24 hours, 7 days or 30 days vessels track
- Customizable 'My Fleet' with unlimited number of ships present on AIS Friends live map
- Customizable E-mail notification if a vessel is in AIS station coverage (defined by IMO and/or MMSI number)
- Automatic E-mail notification when your feed is offline for more than 6 hours
- Access to ships particulars and navigational data (IMO, MMSI, CallSign, length, beam, speed, heading, draught, DWT, Gross Tonnage, year of build, etc.) [sample vessel](#)
- Access to ships commercial and class information (owner, manager, classification society, last renewal survey, contact details, etc)
- AIS station stats - uptime, ships count for the last day, week, month or year, ships by type stats, transponders class A and B stats, messages types stats, AIS messages total count.
- Example station map and dashboard preview [click here](#)

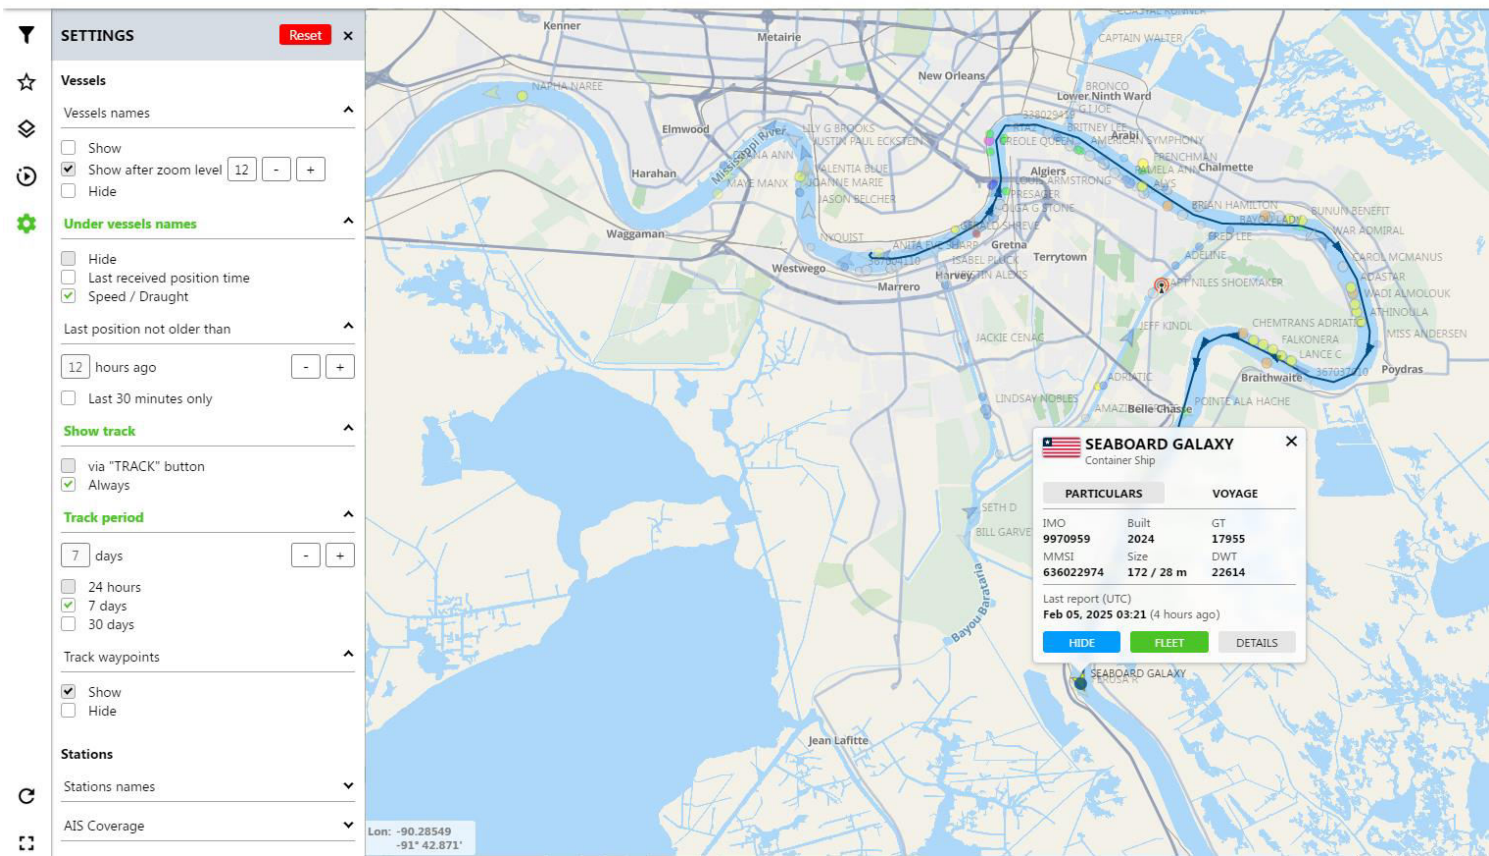

Coming soon:

[by the end of February 2025](#)

- AIS destination matched to a port for class A vessels
- Port calls for class A vessels with matched destination

2. QUALITY REQUIREMENTS

- Please read our [Terms of Use](#) for quality requirements

 **MELOI**
General Cargo Ship, IMO 9392119
